Greetings Morehouse Brother!

I am writing to invite you to join the Morehouse College National Alumni Association.

As Executive Director of the Association, I have three simple goals for this administration --- that is to Reengage our alumni, Rebuild our alumni membership, and Reclaim our status as active alumni.

Each year it is the membership dues and generous donations that allow our association to provide financial assistance to many future Morehouse men, who we anticipate will give back to the Association, helping students just like them in the future.

As we continue to hold our base dues at \$75 for annual membership to encourage maximum participation from the Morehouse College community, I ask that you consider increasing your membership level to a Life (\$700) or Thousandaire (\$1,000) member. Your contribution will be used by the Association to help continue its mission in supporting the College, alumni, and provide much needed financial assistance for student tuition, books, housing assistance, etc. We cannot continue to do this great work without YOU!

We are counting on you to join today!

Sincerely,

Dargan Burns III '80  
Executive Director, National Alumni Association
